

BODY WORN CAMERA **IMPLEMENTATION** **GRANT PROGRAM** **SUBMITTAL FORM**

In February 2021, Illinois passed the SAFE-T Act which mandates law enforcement agencies implement body worn camera programs. To assist members, IRMA offers a Body Worn Camera Implementation Grant Program that includes financial support for member departments in the implementation of a body camera program which includes product purchases. Reimbursements will be issued on a first/come, first/served basis, based on completed grant requirements, for each year until the budgeted amount for that year is depleted. Any remaining applications will be moved to the following budget year. This grant has been approved for annual funding during 2020-2025. For more information regarding the General Grant Guidelines, please visit the IRMA website or click [here](#).

Program Guidelines

1. Members planning to request partial reimbursement for the purchase of body camera equipment and accessories must complete and **submit this application**.
2. Upon verification of purchase, IRMA will reimburse the member a sum of 1/3 of the total fee paid for body cameras, accessories, and warranty and/or body camera data/video storage, up to a maximum of \$10,000. Purchases must be made within one fiscal year prior to the date of the application.
3. The grant requires the member to pay 2/3 of the cost of purchases.
4. **Tier 1** submission is for any member department that has not previously received the IRMA Body Worn Camera Implementation Grant.
5. **Tier 2** submission is for any member who has previously received IRMA's body camera. Tier 2 applicants can only receive additional grant funding if there is still budget available after **Tier 1** grants are paid.
6. Each member applicant must produce an itemized invoice(s), proof of payment (check copies) and proof of training completion with 90% of department participation related to the use, maintenance, or policy/program surrounding body cameras. Additional applicable training includes use of force.

Should you have any questions about the application, please contact Jen Swahlstedt at (708) 236-6365 or jennifers@irmarisk.org.

In the bottom right corner, there is a decorative graphic consisting of several overlapping, semi-transparent purple circles of various sizes, creating a modern, abstract look.
