

Senior Loss Control Consultant

Intergovernmental Risk Management Agency – Westmont, IL (Chicagoland Area)
Starting Salary: \$83,000 - \$90,000 (DOQ), Full-Time, Flexible Schedule, IMRF Pension.

Join our Team.

Our Risk Management and Training Department is growing. Due to our members' commitment to loss control and safety, we need to expand our department to meet the increasing demands of our membership. With an excellent record of reducing losses, we are looking for a customer-orientated self-starter to join our fast-paced in-house risk management and training team.

Work with Local Communities.

IRMA (Intergovernmental Risk Management Agency), a nationwide leader in risk pools since 1979, is actively recruiting to fill our Senior Loss Control Consultant position. Reporting to the Director of Risk Management and Training, the ideal candidate will have the perfect combination of risk, technical, and claims experience to help drive the success of the department in delivering comprehensive risk management services to over 70 municipal and public entities in Northeastern Illinois.

Make a Lasting Impact.

Charged with the goal of reducing hazards and mitigating workplace risks, it is critical that the person filling this position is a self-starter that enjoys engaging in the field and through virtual settings with our members. The candidate must possess the ability to coordinate and deliver training programs, conduct loss control visits, and provide technical expertise on applicable regulatory and safety compliance standards. Creation of a risk management partnership with local leaders on the development of risk mitigation plans, analysis, and policy development is an essential component of the position.

Maintain a Work-Life Balance.

- Flexible Hybrid Work Schedule
- Rotating 3-day Weekends
- Casual Business Environment
- IMRF Pension
- Tuition Reimbursement
- Paid Parental Leave
- Excellent Benefits Package (Health Insurance, Dental, Vision, Disability)
